Next year

The Huon Agricultural Society was able to secure a grant from Foundation for Rural and Regional Renewal to build an all weather arena area. Support from the AAA, the Huon Council, Roberts , Koppers and the Society's own funds will allow the construction of a 16mx6m arena.

This will allow some extra pen space, undercover marshalling and a show arena. The structure will be built off the end of the current alpaca/goat pavilion (when the existing tent usually is).
